## LETTER FROM THE PRESIDENT

There's been a lot of activity at the Foundation these past months. The scholarship committees in particular spent many hours reviewing applications, interviewing students, and selecting award recipients. Thanks to the generosity of our donors who have established a scholarship fund, and those who have contributed to one, the Crown Point Community Foundation awarded **113 scholarships** totaling over \$450,000. Beginning on page 8, we feature all the 2021 scholarship recipients.

MARY B. NIELSEN  
PRESIDENT

Our area students are doing amazing things, even in the midst of the pandemic. On page 17 you'll read how 2020 CPHS graduate Alex McCormick excelled academically and as a collegiate swimmer to earn *Scholar All-America Honors* from the College Swimming & Diving Coaches Association of America. Congratulations Alex!

Even prior to Covid-19, there has been an increasing demand for quality healthcare professionals in Northwest Indiana. Now, with the expansion of the **University of Saint Francis Crown Point campus** right here in South Lake County, more area students seeking careers in this growing industry will have the opportunity to be prepared to meet that need. To learn more about USF, their bolstered degree program offerings, and how their Agency Endowment Fund held at the CPCF helps to enhance the student experience, turn to page 6.

This past year the Foundation celebrated a milestone anniversary – 30 years of giving to our communities. As part of our ongoing 30th Anniversary Celebration, we are excited to invite you to join us at our FREE community wide family-friendly event on **Sunday, September 19th at Bulldog Park**. See page 15 for details, and how you can have a chance to award a \$5,000 grant to a local charity of your choice. *We look forward to seeing you there!*

Our Board and staff have been actively involved these past months in promoting the **\$2.5 million-dollar \$1 for \$1 Matching Challenge** made available by the generosity of the Dean & Barbara White Family Foundation. Because of our amazing fundholders, donors, and community partners, we have been able to capture over *\$1.1 million dollars* in matching gifts since November of 2020! As you begin to think about your end of year giving, please consider making a gift to an endowed fund at the Foundation. If there is a cause you are passionate about, we have a fund to support your interest. Help us capture the remaining match money and double your impact in supporting our communities!

We thank you for your continued partnership and generosity. Together we can continue to make a positive difference in South Lake County and beyond... *now and for generations to come!*

PHOTOS: THE CROWN POINT COMMUNITY LIBRARY'S BOOK BIKE AS SEEN THROUGHOUT THE COMMUNITY, INCLUDING AT THE FARMERS' MARKET AND THE 4TH OF JULY PARADE.

**With your help, the Crown Point Library was able to take its outreach program on the road.**

A \$4,390 grant from the Crown Point Community Foundation helped to finance the library's Book Bike program.

In more ordinary times, the library provides a safe place to access free Wi-Fi, a place for social connection, and a support for new parents as they start down the path of early literacy for their children. But as a result of the COVID-19 pandemic, the library has had to think of new approaches to serving the public, especially when it comes to sponsoring indoor events. That's when the library's director, Julie Wendorf, decided to pursue a goal she has had since 2015: a library on wheels.

The Book Bike helps the library transport books for pop-ups and outdoor storytimes and to sell books at local events.

"The success of the Library's outreach programming has been engaging in one-on-one conversations to learn about needs and matching library services and resources to those needs," Wendorf

said. "The book bike allows the Library to bring programming to places that a van is not possible. The book bike brings pop-up programming to area parks and other unique settings and allows opportunities for outreach that aren't dependent on community events."

The grant from the CPCF went toward the construction of the Book Bike and its cargo box.

For more information about the Book Bike program and the Crown Point Community Library, please visit [www.crownpointlibrary.org](http://www.crownpointlibrary.org).

THE CROWN POINT COMMUNITY LIBRARY IS THRILLED TO PARTNER WITH THE CPCF TO ADD THE LIBRARY'S NEW BOOK BIKE; IT IS A UNIQUE AND ENGAGING OUTREACH TOOL TO BRING LIBRARY SERVICES OUT INTO THE COMMUNITY.

ITS CROWN POINT  
EXPANSION.

UNIVERSITY of

THE CROWN POINT COMMUNITY FOUNDATION OFFERS AGENCY ENDOWMENT FUNDS AS AN OPPORTUNITY FOR NONPROFIT ORGANIZATIONS, SCHOOLS AND CHURCHES TO SUPPORT NEEDS FOR TODAY AND TOMORROW.

**With the growing need for quality healthcare professionals in Northwest Indiana, the University of Saint Francis (USF) Crown Point is perfectly positioned to launch careers and fill local industry needs.**

Last year, the University broke ground on a \$7 million expansion project that doubles the school's size.

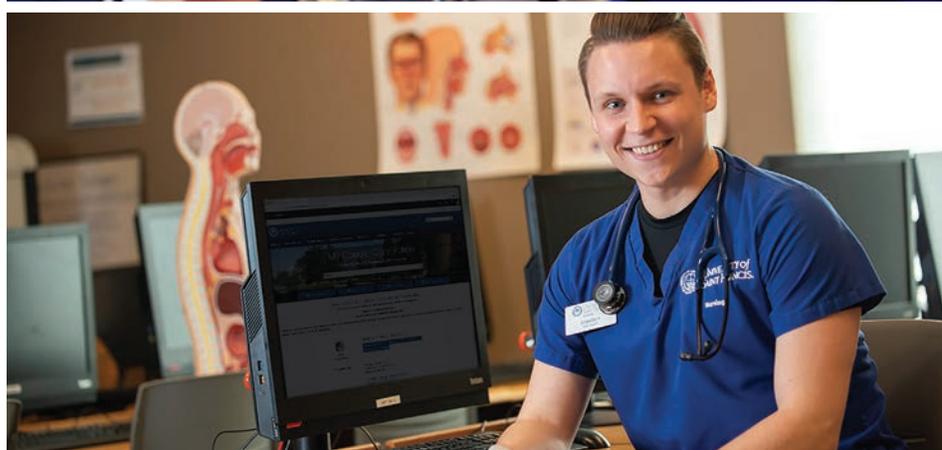

Construction on the expansion began with groundbreaking last September. The now completed and expanded facility is fully operational for the 2021-22 school year.

"Northwest Indiana's demand for quality healthcare professionals keeps increasing, and USF Crown Point will prepare more students to meet that need with this expansion," said USF President Rev. Dr. Eric Albert Zimmer.

The expansion is a nearly 20,000 square foot addition to the existing facility, with a main hallway connecting the addition. The expansion project also includes a new entrance and reception area, along with additional parking.

Thanks to the expanded facility, USF Crown Point is adding more classroom space and more degree programs. This fall, the University will begin to offer associate degrees in Surgical Technology, Radiologic Technology and Diagnostic Medical Sonography, and a bachelor's degree in Advanced Medical Imaging. Each of these fields has been identified as being highly in demand in Northwest Indiana. These programs will offer degrees with high job prospects to area residents as well as increased educational opportunities. The majority of students at the Crown Point campus are non-traditional students.

"I am excited to watch our program grow and expand to the Crown Point area with the new distance and evening clinical track option," USF Radiologic Technology Program Director Heather Lortie said.

The University of Saint Francis Crown Point's Endowment Fund with the Crown Point Community Foundation has been one of the ways that the University has continued to fulfill its mission of educating and preparing healthcare professionals.

"The University of Saint Francis Crown Point Endowment Fund at the Crown Point Community Foundation helps the University cover expenses not included in the budget for the University," said Ellen C. Paxton, Vice President for Institutional Advancement at the University of Saint Francis. "This Fund provides additional

flexibility to enhance the student experience at USF Crown Point. Our students, in turn, continue to develop on their paths to become quality healthcare professionals and serve their communities."

With an Endowed Agency Fund, a nonprofit organization, school or church starts a Fund at the CPCF and uses the yearly distribution to help finance selected projects. Anyone can contribute to Agency Funds to help expand the organizations mission. To contribute to the University of Saint Francis Crown Point Endowment Fund, please visit [thepcf.org](http://thepcf.org).

I'VE LEARNED SO MUCH AT USF CROWN POINT AND I HAVE A LOT OF CONFIDENCE IN MY ABILITY TO WORK AS A PROFESSIONAL. THEY PREPARE US WELL, FIRST GIVING US KNOWLEDGE AND THEN TEACHING US HOW TO APPLY IT. IT'S A GREAT EDUCATION.

# 2021 SCHOLARSHIP WINNERS

Graduating high school students and Adult Learners who plan on pursuing higher education were given some additional financial assistance this year from the Crown Point Community Foundation. The Foundation awarded 113 scholarships totaling over \$450,000. These funds were made available through the generosity of the Foundation's donors and its scholarship funds. Many scholarship funds are established with the purpose of honoring or memorializing an individual or family member. Each year, a scholarship committee reviews applications, interviews students and selects the recipients. The scholarship review team consists of Foundation Board Members and community leaders. "A Scholarship Fund at the Community Foundation is a way for a donor to connect to the future," said Mary Nielsen, President of the Crown Point Community Foundation. "We are happy to provide opportunities to so many deserving students."

## Evening of Gratitude Video Premiere drawing winner Jim Crisman selects Crown Point Tri Kappa for \$2,500 grant.

As part of its 30th anniversary celebration, the Crown Point Community Foundation premiered an Evening of Gratitude video presentation on May 26, 2021. The video not only highlighted the Foundation's history and its mission, but also gave the chance to one viewer to award a \$2,500 grant to the nonprofit of his or her choice. The winner of the chance to grant the award was drawn from all of the names of those who registered to watch the video premiere. The winner was Jim Crisman, who chose to award the grant to Crown Point Tri Kappa. "Since my wife Sue was a member of the Crown Point Tri Kappas and served as the State President, I know of the many philanthropic donations the Tri Kappas make to the community," said Crisman. "I thus felt it was a very natural place for the money to go."

"We are honored that Jim chose Tri Kappa for this generous donation," said Sara Jones, Adviser and Scholarship Chair for Crown Point Tri Kappa Gamma Theta Chapter. "His beloved wife Sue was an amazing woman who dedicated much of her time & efforts not only to Tri Kappa, but to the Crown Point community. We are thrilled that this donation will allow us to present a scholarship in her name."

# Peoples *Bank*

you first banking

**WHY WE GIVE:** As a community bank, we're committed to public services and we've made it our business to be on top of and involved in what is happening locally. It's a tradition that employees of Peoples Bank have embraced for over 100 years. Every day we put our customers first by delivering You First Banking. With that same dedication, we put our communities first by finding creative ways to help and support the community and many organizations that approach us for assistance.

**MISSION:** Since 1910, Peoples Bank has maintained a commitment to helping our customers and communities be more successful. We strive to be a value-driven Bank for all of our stakeholders and focus on bringing capital back to the communities we serve. At Peoples, it's our commitment to offer the best service that our customers can find through engagement and technologies that will enhance the customer experience.

## 2020 Crown Point High School Graduate Alex McCormick Earns Scholar All-America Honors

The College Swimming & Diving Coaches Association of America (CSCAA) awarded Alex McCormick of Washington University in St. Louis, the prestigious Scholar All-America designation. Seven individuals from the swimming and diving teams earned the honor for the Spring semester. McCormick will be a sophomore this fall at the University.

To qualify for First-Team Scholar All-America, student athletes must have earned a GPA of 3.5 or higher and participated in the national championship.

Founded in 1922, the College Swimming & Diving Coaches Association of America is the nation's first organization of college coaches. The mission of the CSCAA is to advance the sport of swimming and diving with coaches at the intersection of leadership, advocacy and professional development.

McCormick is the recipient of the 2020 Crown Point Swim Club Alumni Scholarship award. He receives \$5,000 per year for 4 years.

## Five Questions for **John Manis**

MEMBER OF THE BOARD OF DIRECTORS  
GRANT/SCHOLARSHIP COMMITTEE  
AND CHAIR OF AUDIT COMMITTEE

### 1. What were you like in high school?

I was definitely a nerd. And nothing has really changed over the years!

### 2. Who are your heroes?

My parents. They instilled in me through example a good sense of values, including how to treat people with respect.

### 3. What is your favorite childhood memory?

I fondly remember just hanging out every day in the neighborhood with a really good group of kids, just playing pickup baseball and football and not really having a care in the world.

### 4. What are you most proud of?

I am most proud of the fact that my children have graduated college and have jobs in their chosen fields.

### 5. What inspires you?

I am inspired by people that face adversity head on and overcome it.

John Manis was born and raised in Crown Point, having graduated in the class of 1982. He has three adult children: Mason, Makenna and Alyssa (Mazur), who live throughout the Midwest. John graduated from Indiana University Northwest with a degree in Accounting. He is a CPA and the controller for Heidbreder Development and Buddy & Pal's Place.

John has been active with Merrillville Civitan, Lake Area United Way, and Crown Point Youth Soccer. John was approached to join the Foundation by friends who were Board Members. "I thought it was a good opportunity to try to give back to my community which has been good to me over the years," he said. He currently serves on the Grant/Scholarship Committee and is Chair of the Audit Committee.

John started The Manis Family Fund at the Foundation to focus on mental health. "Unfortunately, we've all known good people who tragically didn't get the timely help they needed and my hope is to provide assistance to those who need it now," John said.
